THE WOOLLY BEARS · KITE PAPER

Fold a Mushroom

You'll need

A square each of red and white kite paper, scissors and a glue stick

Step 1 THE CAP

Start with a square of red kite paper.

Step 2

Fold it in half corner to corner to make a triangle.

Step 3

Unfold it so you can see a diagonal crease.

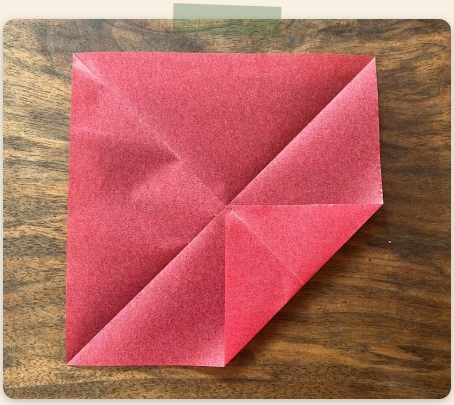

Step 4

Fold it in half along the other diagonal.

Step 5

Unfold again so you have an X-shaped crease.

Step 6

Fold the bottom right corner in to touch the centre.

Step 7

Unfold to reveal the crease you just made.

Step 8

Fold the top left corner to meet the newly formed crease.

Step 9

Fold the right edge in, slightly overlapping the left fold.

Fold a Mushroom

Step 10

Fold the upper corner to align with the large left fold.

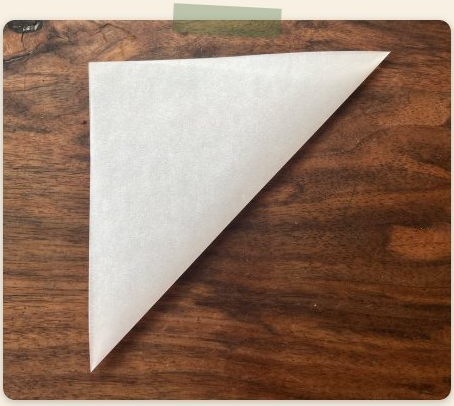

Step 11

Repeat with the other upper corner.

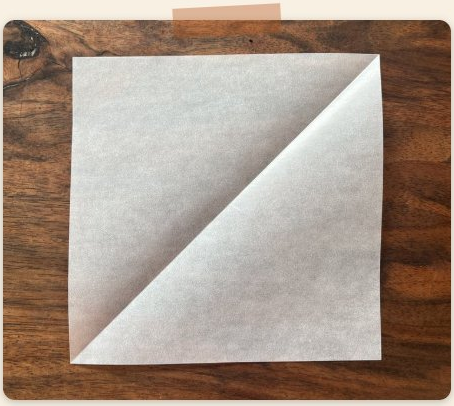

Step 12 THE STEM

Now take a square of white kite paper.

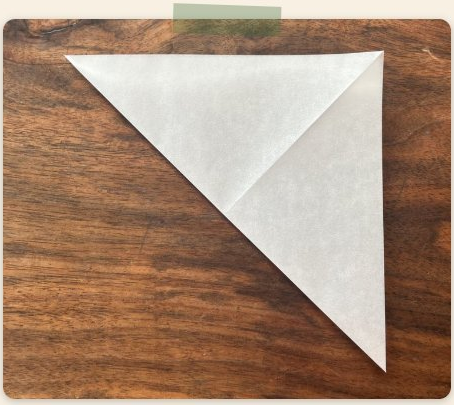

Step 13

Fold it in half corner to corner to make a triangle.

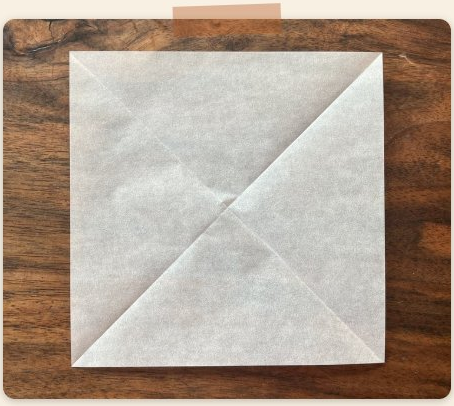

Step 14

Unfold it so you can see a diagonal crease.

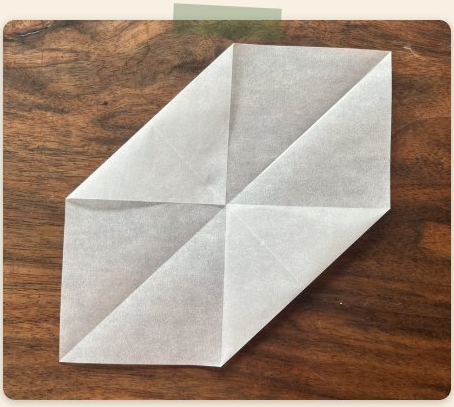

Step 15

Fold it in half along the other diagonal.

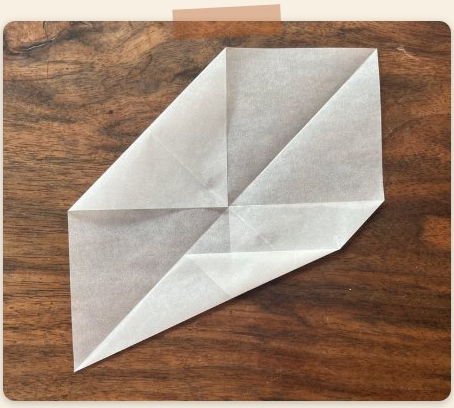

Step 16

Unfold again so you have an X-shaped crease.

Step 17

Fold two opposite corners in to touch the centre.

Step 18

Fold the bottom edge in to line up with the centre crease.

Fold a Mushroom

Step 19

Repeat with the other side.

Step 20

Fold down the top corner.

Step 21 PUT IT TOGETHER

Lay the cap face down and glue the stem's point onto it.

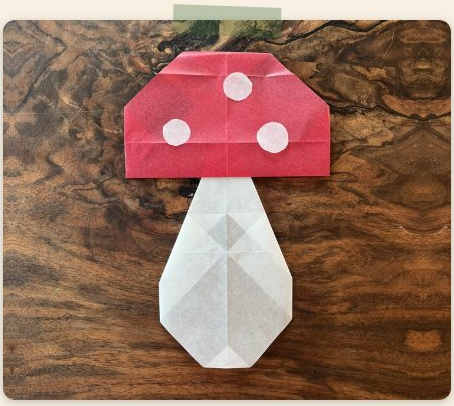

Step 22

Turn it over and the mushroom is done!

Step 23

For spots, cut three small circles from white kite paper.

Step 24

Glue the spots onto the cap.

Hang it in a sunny window and watch the light shine through.
